

**Code of practice for bunker mass flow metering
Part 2: Technical requirements and procedures**

CORRIGENDUM NO. 1

January 2025

1. Page 2, Table of contents, Annex S

Replace “Example of a sample label (informative)” with “Sample label (normative)”.

2. Page 56, R.3.4

Replace “The seal numbers shall be recorded in the BDN.” with “The seal numbers shall be recorded in the meter reading record form.”.
