

SINGAPORE STANDARD 273 : 1983

SPECIFICATION FOR BALL PEN
AMENDMENT NO. 2

November 1985

Page 7, Subclause 4.15

In line 2, *delete* the words "and direct-image offset processes" and *substitute* with "process".

Page 9, Subclause 6.16

Delete the entire subclause and *substitute* with the following:

"6.16 Reproduction Capability Test

6.16.1 Dry copying process. Write a minimum of 20 words in black ink on a standard bond paper. Reproduce by dry copying process. Examine for compliance with Subclause 4.15.

6.16.2 Microfilming process. Write a minimum of 20 words on a sheet of standard bond paper. Reproduce the writing on microfilm. View the microfilm under the customary magnification. Examine for compliance with Subclause 4.15."
