

SINGAPORE STANDARD 128 : 1975
SPECIFICATION FOR
LIQUID CARBON DIOXIDE INDUSTRIAL
AMENDMENT NO. 1

July 1975

Page 5, Packaging and Marking

Delete Clause 6 and *substitute* the following:

"Liquid carbon dioxide, Type 1, shall be supplied in properly maintained cylinders of a design and construction and complying with the standard of the country of manufacture and shall be marked in accordance with SS 152.

The contents of such cylinders shall meet the filling limitations suitable for tropical climate set by the standard of the country manufacturing the cylinders."

Page 6, Packaging and Marking

Apply the above amendment to Clause 13, except 'Type 1' is replaced by 'Type 2'.
