

**Specification for cement
Part 2 : Conformity evaluation**

AMENDMENT NO. 1

June 2010

1. Page 28, Annex ZZA Recommended sampling plan for imported cement

Replace the Note after the Table with:

NOTES –

1. Under the column 'Other requirements', S/N 1, both sampling and tests are to be conducted in Singapore.
2. For the full test, refer to SS EN 197-1 Table 4 on properties and test methods and Table 8 on limiting values for single results.
