

**CODE OF PRACTICE FOR CONSTRUCTION COMPUTER-AIDED DESIGN (CAD)
PART 2 : CAD SYMBOLS**

AMENDMENT NO. 1

August 2004

1. **Page 7, Clause 2**

Delete 'Electrical' under the mechanical & electrical engineering symbols.

2. **Page 35 to 64, A.3.2**

SS 202 (13 parts) – 'Specification for graphical symbols for diagrams' has been withdrawn and replaced by the current IEC 60617 database.

As CP 83 : Part 2 contains electrical symbols, users are encouraged to subscribe to the IEC 60617 database 'Graphical symbols for diagrams' at <http://dom2.iec.ch/iec60617>.

Delete the entire subclause on electrical symbols.
