

Singapore Standard SS 281 : 1984

SPECIFICATION FOR PRESSURE REGULATORS FOR LIQUEFIED PETROLEUM GASES

AMENDMENT NO. 2

January 2004

1. Page 13, Clause 10 – MARKING

Replace the Note on the SISIR certification mark as follows:

NOTE: The SAFETY Mark given below helps consumers and traders to identify registered controlled goods. All registered controlled goods must be individually marked with the SAFETY Mark on the product. The unique 8-digit registration number below the SAFETY mark is traceable to the registrant and the registered models.

2. Page 13, New Clause 11

Insert new clause as follows:

11. REPLACEMENT OF REGULATORS

In normal conditions of use, to ensure the safety of the user, it is recommended that the regulator be changed within 10 years of the date of manufacture.
