**SINGAPORE STANDARD**  
**SPECIFICATION FOR CORDIALS**

**FOREWORD**

This specification was prepared by the Technical Committee on Beverages and approved by the Food Standards Committee and with reference to the following:

It is a revision of SS 115 : 1974 on Specification for Cordials. This revision was necessary to bring the standard in line with technological changes. Three additional test methods on the 'Determination of Arsenic, Lead and Copper were incorporated into the standard. Requirements pertaining to the quality characteristics were also amended.

In preparing this standard reference was made to the following overseas standards:

- |    |  |   |  |
|----|--|---|--|
| 1. | Codex Alimentarius   | - | Fruit Juices and Related Products, Second Edition, Vol 6 |
| 2. | Israel Standard 702 : 1968   | - | Squash (Sweetened Fruit Juice)                           |
| 3. | Indian Standard 4936 : 1968  | - | Specification for Fruit Squashes                         |
| 4. | Official Methods of Analysis of the Association of Official Analytical Chemists (AOAC), 15th Edition, Vol II 1990. |   |  |

Acknowledgement is made for the use of information from the above references.

**NOTE**

1. Singapore Standards are subject to periodical review to keep abreast of technological changes and new technical developments. The revisions of Singapore Standards are announced through the issue of either amendment slips or revised editions.
2. Compliance with a Singapore Standard does not exempt users from legal obligations.
