

**Specification for 13 A plugs, socket-outlets, adaptors and connection units
– Part 4 : 13 A fused connection units switched and unswitched**

CORRIGENDUM No. 1

January 2024

1. Page 11, 7.1 b)

a) *Replace* 7.1 b) with the following:

b) The number of this Singapore Standard, i.e. SS 145¹

b) *Insert* the following footnote:

¹ Marking SS145 on or in relation to a product represents a manufacturer's declaration of conformity, i.e. a claim by or on behalf of the manufacturer that the product meets the requirements of the standard. The accuracy of the claim is solely the claimant's responsibility. Such a declaration is not to be confused with second or third-party certification of conformity. Further testing and conformity certification remains at the discretion of the manufacturer and is not a requirement of this standard.
